## 2019 BASIC BLACK

Napa Valley & Sonoma Valley Proprietary Red Wine

### THE CLASSIC FASHION STATEMENT

This phenomenal red wine blend has been in the works for years and is the most complex and captivating wine we make. Working for decades now with old field blend vineyards, we have come to appreciate the magic of co-fermentation. That is, combining multiple grapes together at harvest in the vat in order for them to ferment together. It's an old-world idea, kind of like letting all the ingredients of the stew simmer together rather than adding them at the end. This approach is gaining more and more interest among serious winemakers especially for those working with Zinfandel field blends. For years it has been a goal of ours to find the right proportions of different fruit from different sites in order to produce a new Biale blend that displays the best of everything. This landmark 2019 wine is a co-fermented reserve blend of 30% Alicante Bouchet, 25% Early Burgundy, 10% Tempranillo, 10% Carignane, 9% Syrah, 9% Petite Sirah, 7% Grenache.

**Vintage Notes:** A long, warm summer and mild finish to the season. The beginning of the 2019 growing season was defined by copious rainfall and late soil moisture. The long, warm summer saw very few extreme heat events, with foggy mornings setting the stage for vibrant and expressive wines. The long, relatively mild finish to the season, not without its moments of unpredictability, helped to preserve freshness and finesse in the fruit with abundant hang time teasing out great color, structure and soft tannins. Volume is looking to be about average to a little less than average. All in all, exceptional fruit with bright acidity and ample texture promises an amazing vintage.

**Harvest Dates:** 9-20-19 to 9-26-19

**Winemaking:** The individual lots of multiple varietals coming from multiple vineyards were added together in one tank for a co-fermentation. The must was cold soaked at 50 ° F for 4 days until the last lot was ready for harvest and added in. At this time, the must was inoculated with a commercial yeast strain. Fermentation was complete after 14 days in an open top tank with two to three punch downs per day for color and tannin extraction. Maximum fermentation temperature was 86 ° F. The wine was lightly pressed to 30% new Burgundy oak barrels. Malolactic fermentation was completed in barrels. The wine was aged in barrels for 17 months.

**Alcohol:** 14.8%

**Winemaker's Tasting Notes:** A complex wine with many layers. The 2019 Basic Black has a dark fruit profile with aromas of blackberry, sarsaparilla, cocoa, wild iris, and earthy undertones. Flavors of dark chocolate and dark fruits are integrated with big mid palate tannins which lead to a long age worthy finish.
